MEMORANDUM FOR:

THROUGH

:

Project Engineer

SUBJECT

: Residual and Termination Inventory, Contract  
No. FL-3011, Westinghouse Electric Corp.

1. We are enclosing herewith the following documents from the subject corporation:

- (a) Termination Inventory, \$62,029.38 as a result of cancelling two Single Channel Radar Mapping Systems, Item 10.
- (b) Termination Inventory, \$24,442.78 as a result of cancelling two Low Altitude Antennas, Item 12.
- (c) Residual Property, Tools and Test Equipment per letter dated 8 December 1958, DPS-6177.

2. As soon as the Corporation submits its offer, if any, for purchase of any of the property shown in the enclosures we will forward this information to you.

3. Please submit disposition instructions regarding this property as well as the consignees address and applicable markings. These listings are currently being audited. If the audit report changes any of these listings we will advise you immediately.

4. Your early reply is requested as the Company is desirous of effecting settlement of this contract prior to the end of their accounting period, i.e., 31 December 1958.
